INTERCLASS BASKETBALL GAMES.

1908 vs. 1910 and 1907 vs. 1909.

In the interclass basketball series, the Sophomores defeated the Seniors by the score of 25 to 10 on Friday evening, March 8th. The game was one of the most interesting seen on the floor this season in spite of the difference in the scores. It was fast and clean from start to finish and every man was doing his best all the time.

At the end of the first half the score stood 8 to 6 in favor of the Sophomores. The second half started with a goal by Connors in less than a minute from the blowing of the whistle and from then on the Sophomores steadily drew away from the Seniors. Early in this half Bryant took R. Cunningham's place at right guard on the Senior team. This was the only change made during the game. Claussen made the final score just as time was called.

The line-up was as follows:—

1907		1909
Chamberlain	lf	Connor
Spier	rf	Buchanan
Myers	c	Buck
R. Cunningham-Bryant	rg	Xanders
G. Cunningham	lg	Claussen

Referee, Dr. Swan. Timer, Cross. Goals from floor, Claussen 5, Connor 3, Buchanan 2, Xanders 1, Chamberlain 3, Spier 2. Goals from fouls, Connor 2, Claussen 1. Time of halves, 20 minutes.

1908 WINS COLLEGE CHAMPIONSHIP.

The game between 1908 and 1910 last Friday evening was marked by remarkable swiftness, agility and cleverness of both teams, being undoubtedly the fastest and hardest game played in the gymnasium this year. The team work displayed on both sides could not be excelled.

The first half started after the 1907 and 1909 teams had fought for twenty long minutes. Madden landed the first basket and Pond soon threw a basket from a foul. Then Capen, by one of the most brilliant plays of the evening, sent the ball home from the middle of the floor. Donnelly threw two baskets, followed by scores from Smith, Capen, Collins, Pond and Madden. The result at the end of the first period was 13 to 7 in favor of the Juniors.

The second period opened with a rush on both sides, the Freshmen, all much lighter and younger than the Juniors, keeping the pace without once stopping. Waldron and Cook were the stars of this half, having respectively Stevens and Donnelly for opponents. There was the same fighting spirit and clever playing as in the first half, both teams being determined to win by a large margin. There was but one foul, the playing being unusually clean. Waldron and Smith each threw one basket and Cook two, for the Freshmen, while Donnelly threw two and Olmsted one for the Juniors. The lineup:—

ST. PATRICK'S DAY.

To be Observed on March 16th.

As St. Patrick's Day this year comes on Sunday, the annual Sophomore-Freshman campus fight has been set for Saturday, March 16th. The Freshmen are to attempt to raise their banner on the campus before chapel, and a large banner will probably be displayed down town.

The New Britain Meet.

Companies I and E, First Infantry, C. N. G. and the New Britain Y. M. C. A., held a joint athletic meet in the state armory at New Britain on Saturday evening March 9th. There was a large number of entries in all of the events and most of them were hotly contested. The Philharmonic band furnished music during the evening. The prizes were silver cups for the relay races and medals for the other events. In many of the distance events there was a large field and the congestion at the corners made it impossible to make fast time. Trinity was represented by Olmsted, Morris and D. C. Pond. Morris had a handicap of 80 yds. in the mile run and was expected to win. He was unable to get through the bunch, however, in the last lap and missed getting a place by a very narrow margin.

NOTE.

President Roosevelt's ability to keep up an abiding interest in every one of an enormous number of activities is a thing of wonder to all. Not only does he keep up an interest, but he thinks deeply on the subjects and occasionally is able to give advice which is most beneficial. Trinity men will be interested in what he recently said to the Harvard students, concerning athletics.

"Our chief interest should not lie in the great champions in sport. On the contrary, our concern should be most of all to widen the base, the foundation in athletic sports, to encourage in every way a healthy rivalry which shall give to the largest possible number of students the chance to take part in vigorous outdoor games. It is of far more importance that a man shall play something himself, even if he plays it badly, than that he shall go with hundreds of companions to see some one else play well, and it is not healthy for either student or athletes if the terms are mutually exclusive.

"Athletics are good, especially in their rougher forms, because they tend to develop such courage. They are good also because they encourage a true democratic spirit; for in the athletic field the man must be judged, not with reference to outside and accidental attributes, but to that combination of bodily vigor and moral quality which go to make up prowess."

THE WHITLOCK PRIZE CONTEST.

F. J. Corbett '08 and R. L. Wright '10 the Winners.

The Whitlock prize contest was held on Thursday evening, March 7th, at 8 o'clock in Alumni Hall. The contestants were: Corbett '08, Taylor '08 and Wright '10, who were the winners of the Alumni English composition prizes. Between the numbers the Glee Club rendered several selections.

The judges who were Rev. Isbon T. Beckwith, Mr. Henry S. Pancoast and Mr. George W. Ellis, awarded first prize to Frederic J. Corbett, whose subject was "The Labor Problem and the Democratic Ideal." Richardson Little Wright received second prize, his essay being "Theocritus as a Writer of Early Pastoral Idylls."

ATHLETICS AT JAMESTOWN EXPOSITION.

On Saturday, June 22d, the world's college athletic championships will be held at the Jamestown Exposition. The events will be 100, 200, 440, 880 yard dashes and one, two and five mile runs, 120 and 220 yard hurdles, putting 16 pound shot, running high jump, throwing 16 pound hammer, running broad jump, pole vault and throwing the discus. A handsome banner will be awarded to the college winning the meet and gold, silver and bronze medals will be given to first, second and third place respectively in each event. So far, Princeton, Michigan, Chicago, Georgetown and North Carolina Universities have announced their intention to enter.

NOTES.

There will be the usual weekly meeting of the "Tripod" Board this evening at 7:15 o'clock.

Dr. Edward S. Van Zile '84 will deliver the third of a series of lectures upon the contemporary drama on Monday, March 18th, at 8:45. Heretofore Dr. Van Zile has spoken during the regular English recitations, but owing to the general interest in the subject, the hour has been changed so that all the students may have an opportunity to be present.

It is reported that Cyrus F. Wicker, Yale '05, has been appointed Rhodes scholar from Connecticut. He intends to enter Balliol College, Oxford. At Yale Mr. Wicker received honors in English and Economy. He was a track athlete, an oarsman, and an editor of one of the Yale publications.

Without intending any malice to Mr. Wicker, we can not help wishing that Mr. G. Cunningham '07, who competed, had received the honor in his stead. School in Cambridge, and was ordained Mr. Wicker had an advantage over Mr. Cunningham in that he was graduated from Yale two years ago and has had so much time to pursue his studies further.

ADDRESS BY REV. MR. PADDOCK '94.

Trinity Graduate Speaks to Undergraduate Body.

At the Sunday morning service the Rev. Robert S. Paddock of the class of '94, rector of the Church of the Holy Apostles, New York, gave a very interesting talk. He took for his subject "Life Work" and asked the students to choose their life work and strive to excel in that line, not for the purpose of making money but with

REV. ROBERT S. PADDOCK.

a view of doing good to one's fellow men. He said that his object in speaking was not to induce them to enter the ministry, but that nevertheless he would be glad to see some of the students choose that calling. Mr. Paddock is at present engaged in settlement work among the slums of New York and he illustrated his talk with many interesting little stories of his work.

He has a staff of seven people working with him, three men and four women. They have two houses and do a wonderful and noble work among the poor and destitute of the great city. Mr. Paddock has had many very exciting times among these people and his work takes him to places where most people would hesitate about going alone. His life has often been threatened by men and women whom he has forced to give up some illegal crime or vice. Beside his work among the poor, Mr. Paddock has been much interested in politics and has done a great deal of good towards reforms of the police board. He is the chairman of the board of managers of the Squirrel Inn, which is a sort of a clubhouse where men can go and spend their time and obtain soft drinks and light lunches at a very reasonable cost.

The students were greatly interested in Mr. Paddock's work and after the service a number of them went to his room where he told them a great deal more about his work.

Dr. Luther preached Sunday at the Phillips-Exeter Academy, Exeter, N. H.

TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

EDITORIAL.

The last time we spoke of the Sophomore Smoker we almost brought the "house down about our ears," so now we dare to say only that we hope things are progressing well. The college body, as a whole, little appreciate the amount of work that the Sophomore committee have on their hands, and we hope that our encouragement will be taken in the spirit in which it is given.

St. Patrick's Day is rapidly approaching and a little undercurrent of excitement can be noted among the Sophomores and Freshmen. The custom of having some such "scraps" is adhered to at many colleges and universities. At some places they become bitter, but at Trinity a feeling of friendly rivalry has always prevailed and must prevail, or the college will suffer for it.

We should like to suggest to the Freshmen that they be careful not to be destructive. Former classes brought themselves and their college into disrepute among the townspeople by painting fences, walks, and similar things. On the last two St. Patrick's Days pasters only have been used and the custom should be upheld, because they are just as effective without being so annoying to the people in town, as is paint.

Rev. Albert Crabtree '92, who for the past eleven years has been rector of the Emmanuel Episcopal Church of Manville, R. I., has accepted a call to All Saints' Church. He will take charge there after April 15th. Mr. Crabtree received his early education in Fall River. On graduating from Trinity he entered the Episocapl Theological in 1896. In Manville he has always thrown his influence for pure politics, and is a leader in temperance circles, and is chairman of the legislative committee of the Rhode Island Temperance League. Also he is chairman of the School Committee of the town of Lincoln, an active member and one of the organizers of the Voters' League, an independent organization for purifying the town's politics, president and principal organizer of Manville Library Association and prominent in all movements having for an object the betterment of the community in which he lives. He is a member of the committee on canons of the diocese of Rhode Island and assistant secretary of the Convention of Rhode Island.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.
In a company that earns, declares, and pays annual dividends.
In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.
